LOVING FAMILIES GROW HERE.

INFANT ADOPTION

YOUTH EDUCATION & PREVENTION

PARENTING SUPPORT

FOSTER CARE SERVICES

2021 IMPACT REPORT

## FROM OUR LEADERSHIP

What a tremendous honor it is to serve as Board Chair of Hope Cottage! Whatever the stage of life, Hope Cottage has always continued its work serving families and it has never ceased to amaze me the impact the organization has on our community and in changing lives. I stand beside the 100+ year legacy and the countless supporters that share the mission and vision of this great organization. Under its expanded services, the organization has further refined its youth education work, parenting support, infant care adoption and foster care services. Even during the challenging times of the pandemic, nothing stopped the mission of Hope Cottage, as it showed resiliency and was steadfast in serving North Texas creating families every day.

I have now served the board for close to three years and have been so proud of the entire Hope Cottage family. To witness firsthand the Hope Cottage working with local hospitals and agencies to connect forever families, to the many parents that enter Hope Cottage's doors learning skills for a lifetime, it has been a phenomenal experience. It also gives me so much hope and excitement for the future, knowing there will be many more stories of inspiration that have yet to be written. Stories of infants and children who have yet to be even be born and matched with their awaiting, loving families. Or the stories of thousands of parents to receive crisis pregnancy assistance or post-adoption education to ensure their successful contribution to our community. However, the connection, we remain very grateful for your generosity, advocacy and friendship and we look forward to the year ahead.

We have so many exciting initiatives planned this year that our management team can't wait to share them with you. On behalf of Hope Cottage, thanks again for your commitment that allows the work of this organization to continue on, and many more lives to thrive and be changed forever!

Andrea Carter, Chairperson Board of Directors

# GROWING IN OUR SECOND CENTURY OF SERVICE

## Infant Adoption

Counseling, education and support for birth and adoptive families. Since we've opened our doors in 1918, we've helped thousands of parents grow their families through infant adoption.

**303** nurses, social workers and community professionals, participated in adoption focused professional education to enhance care for families walking through adoption.

**233** adoptees and family members of adoptees received post-adoption services.

## Foster Care Services

Children facing abuse and/or neglect in their birth home are placed in safe, stable temporary care with a foster family. To better serve the children in our care, we increased our licensing level of care from "Basic/Moderate" to "Specialized" and developed a TEA-approved trauma-sensitivity training course to help teachers understand how trauma affects foster children in the classroom.

**7,000+** nights of care for **34** foster children.

## Youth Education and Prevention

A preventative education program designed to equip youth, ages 13-19, with the knowledge to make healthy, informed decisions about their future.

**4,682** youth in **11** school districts throughout Dallas and Tarrant County participated in the Love Notes and ABCs of Adoption curriculum.

The Love Notes program received the GD-SRAE award through the Family and Youth Service's Bureau (FYSB) Adolescent Pregnancy Prevention Program, which will serve **9,000** teenagers over the next three years.

## Parenting Support

Provided one-on-one case management, peer support, groups and parenting classes for **536** parents to overcome obstacles and provide a safe, loving home for their children.

**40** children placed in safe and loving foster and adoptive homes.

## About Us

Hope Cottage is the oldest non-profit, secular adoption agency in Dallas. We were founded in 1918 as an orphanage for babies abandoned on the streets due to the Spanish Flu and post-WWI fatalities at a time when the state had no organized way of caring for these children. Over the last century, we've helped tens of thousands of children have a healthy start in life and a safe and nurturing environment in which to thrive. We provide a personal, inclusive and local approach through a continuum of services in Infant Care Adoption, Foster Care Services, Youth Education and Prevention, and Parenting Support. Together, these programs guide the community in building healthy, long-lasting family relationships. Our hope is to spend the next century helping youth and teens build healthy relationship skills, providing personalized guidance for growing families, nurturing strong family relationships through comprehensive support options, and educating family service professionals so they can provide the best possible care for families in need.

## Mission

To transform lives with the love of family through adoption, foster care, education and parenting support.

## Vision

A safe, loving family for everyone.

## Code of Honor

Guiding our everyday work in good times and in bad, the staff of Hope Cottage will...

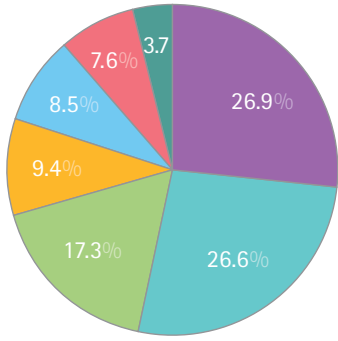

**Practice Ownership**

**Demonstrate Resilience**

**Remain Dedicated to our clients, our co-workers and our community**

*"With Hope Cottage, you are never a number.  
You are loved, valued, and cherished..."*

*As a foster family, we have always felt welcomed and supported by Hope Cottage with every available resource. Our amazing Case Manager has been with us every step of the way; she is invested in the lives of our children, their care, and well-being. Her knowledgeable insight is invaluable, as we navigate together the uniqueness of each situation with an abundance of care and respect.*

*It is our joy to partner with Hope Cottage in serving children in foster care, changing the world  
– one life at a time!"*

*– Rachael and Brian Briscoe  
Adoptive parents through Foster Care*
